Work EXPERIENCE

Software Development Intern

Bluestock Fintech   **Aug 2024 – Sept 2024, Remote**

- Collaborated with a cross-functional team to design and implement a user-friendly interface for an Admin Dashboard, ensuring a seamless user experience.
- Led the development of a robust web application and RESTful API to deliver comprehensive IPO-related information, enhancing the platform's functionality and user engagement.

Front End Developer Intern

Downpour Consultancy Services   **May 2023 – July 2023, Remote**

- Designing and developing client-side software and applications using HTML5, CSS, and Java Script
- Collaborated with designers and backend developers to ensure seamless integration of frontend and backend functionality

Fundraising Intern

InAmigos Foundation [NGO]   **July 2024 – July 2024, Remote**

- As a Fundraising Intern, I played a key role in driving successful campaigns by identifying and researching potential donors, managing outreach and communications, and assisting in the development of fundraising strategies to achieve target goals.

PROJECTS

Portfolio - [Link](#)

- **Responsive Design:** Ensures optimal viewing experience across devices.
- **Modern UI:** Utilizes Tailwind CSS for streamlined, modern user interface design**.**
